OILIER

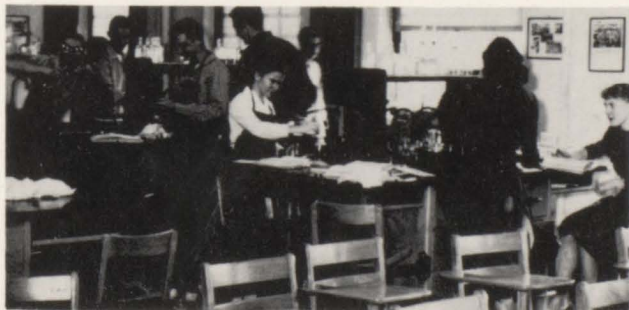

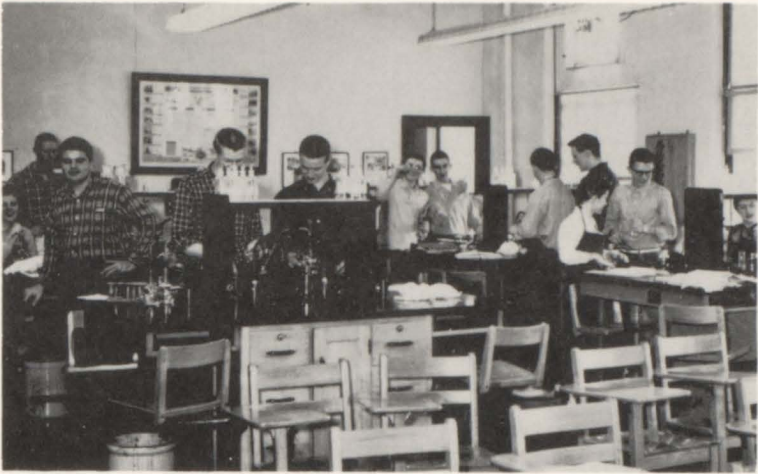

1959

Dedication

The 1959 Oiler staff is proud to dedicate its efforts to Mr. A. Edison Smith, who has devoted prodigious energy to the East Alton-Wood River Community High School. Mr. Smith has just returned from a year's leave of absence in Turkey and we are very happy to have him back. It is with deep and sincere gratitude that we say, "Thank You."

Energy is a powerful quantity. Unable to be destroyed, as shown by the furious scrambling in our halls, it transfers from activity to activity providing pleasant memories. In future years we shall be touched deeply by the remembrance of energetic days in school-----our academic record, our extracurricular activities, and our social functions. These memories will live forever in our minds. The students of the present shall also be able to share in these wonderful recollections if they will use but one quantity, energy.

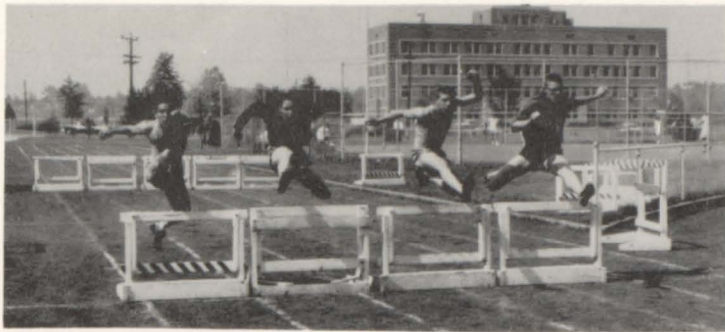

ROW ONE: Marilyn Ellis, Carole Spiller, Carolyn Pinkerton, Sharon Schmidt, Gerry Cambell. ROW TWO: Barry Seward, Ronald Haas, Landon Brazier, John Watson.

Oiler Editors

Once again, after a difficult but satisfying job, the Oiler comes to you full of pictures and articles that you will cherish forever. This is due to our industrious editorial staff. The editors of this wonderful staff are Carolyn Pinkerton, Editor-in-Chief; Landon Brazier, Managing Editor; Ronald Haas, Writing; Gerry Cambell, Organizations; Marilyn Jo Ellis, Activities; Sharon Schmidt, Classes; Carole Spiller, Art; and Barry Seward, Sports Editor.

Graduates

Throughout the four-year cycle of a high school career, energy brings unhappiness along with happiness. But as the cycle grows to a close, all of the unhappiness is forgotten. Our exuberant energy produces many happy events, culminating in the happiest event of all----- graduation. Energy expended throughout the four years produces the proud smile and warm beam of happiness on the senior's face. After the ritual of the graduation ceremony, the cycle starts over again, growing to a peak every fourth year.

ORGANIZATIONS AND ACTIVITIES

In the many and varied organizations and activities of the school, the amount of energy used is tremendous. The students never seem to run out of it as they present plays and work hard in the various clubs. This energy they use not only gives them a feeling of satisfaction, but also offers many fond remembrances.

The diagram features three hand-drawn atomic-like symbols. One is red and located on the left, one is black and located at the top right, and one is black and located at the bottom right. A large red triangle is drawn, with its vertices pointing towards the three symbols. Lines connect the symbols to the vertices of the triangle. The text 'ORGANIZATIONS' and 'ACTIVITIES' is written in a bold, black, sans-serif font across the center of the page, with some red lines crossing through the letters.

1958 Coronation

A giant Buddha cast an oriental spell over the loyal subjects who came to view the coronation of the thirty-first queen of the Harvest. The royal court waited with great anticipation the entrance of the new queen and gave a rousing ovation as the royal minister summoned to the throne lovely Karen Wilson.

Her Majesty, Karen, bowed to her subjects as she graciously took her throne, behind which was a huge Japanese fan placed in an artistic oriental setting.

The Wood Cats played sentimental tunes for the Queen and her maids, and the choral ensembles sang to the delight of the entire court. Twelve royal dancers performed a "Corps de Ballet" and a "Pas de Trois."

Following the ceremony, the Queen and her maids received the loyal subjects of the Harvest Court.

The Concert Band

Every student in the band, whether in the Marching Band or in the Concert Band, uses a great amount of energy through the year. The band provides stirring music at the home football and basketball games; it provides excellent music at its two formal concerts; and it sounds the farewell note to graduates at Commencement.

Last fall the band took part in the East Alton Hallowe'en Parade and the Southern Illinois University Band Day. The band always makes a concert tour in the spring.

Majorettes

The Marching Band of our high school was led this year by six eye-catching Majorettes.

These Majorettes, wearing maroon coats, short, white pleated skirts, and maroon and gold top hats, performed during half-time at all our home football games.

Wearing white shorts, white coats trimmed in maroon, and gold top hats, they also led our band in several parades including the Band guest day at Southern Illinois University. For these parades they wear their uniforms.

The Majorettes are chosen from the band.

Practice Makes Perfect

Always alert!

Members of the Concert Band are hard at work in preparation for their annual Spring Concert.

As guest of the high school band, the Wood River-Hartford grade school band will present several selections. The grade school portion of the program will feature a flute solo by Debbie Hughes and a cornet solo by Lyndon Hammon.

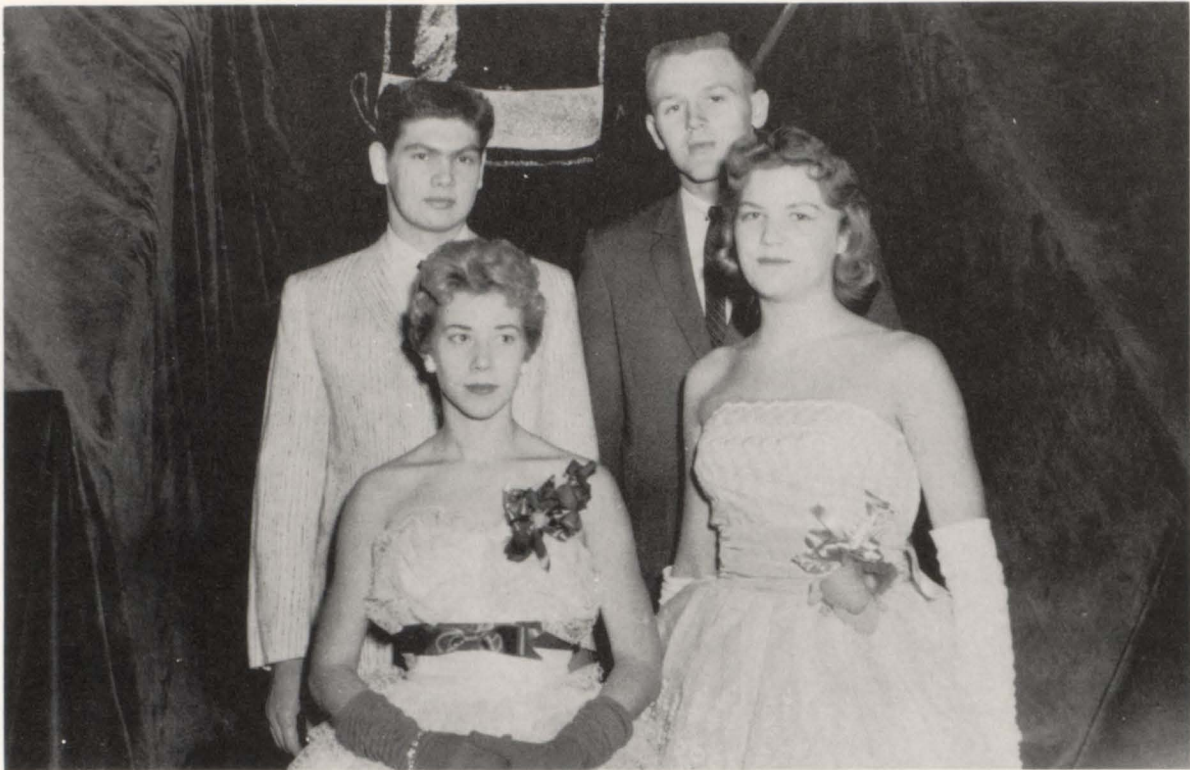

The high school band will present such selections as "Busman's Holiday" by Osterling; "Portrait of the Land" by Quinn; and "Variations on a Folk Song" by Schamman.

A trombone trio, featuring Ned Coulson, Darrell Waters, and Dick Worthen will play "Holiday for Trombones" by David Rose.

A special added attraction for the evening will be the appearance of the Latin American rhythm ensemble from Colidge Junior High School of Granite City.

Big Sister's Dance

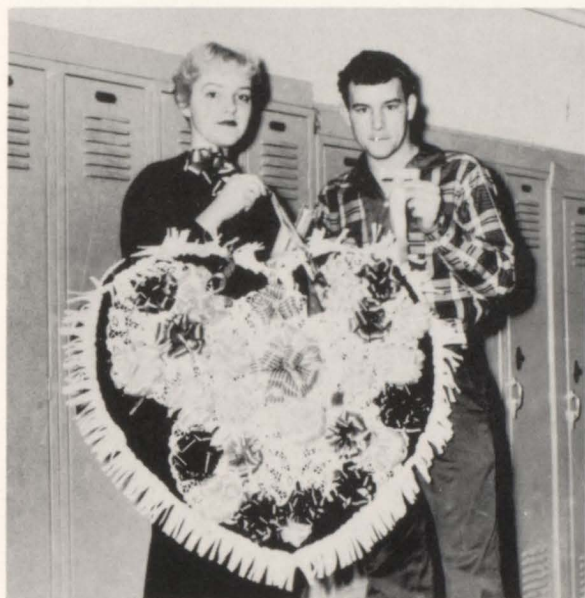

The Club Top Hat opened on November 29, 1958 in the girls' gym. Club Top Hat was the theme of this year's Big Sister's Formal Dance.

As over one hundred couples entered the girls' gym, they were entranced by the almost unbelievably gay and scenic night club atmosphere. Couples were dancing to the dreamy music of Jim Adcock's band.

At 10:30 the guests passed through the receiving line and were presented to Miss Buscher, the sponsor, and the various chairmen of the dance. Refreshments were then served. Dancing then continued until the magic hour of 11:15 when the Grand March began. This was certainly a perfect ending to a perfect evening.

At 11:30 the Club Top Hat closed and, the Big Sister's ended another successful dance until next year.

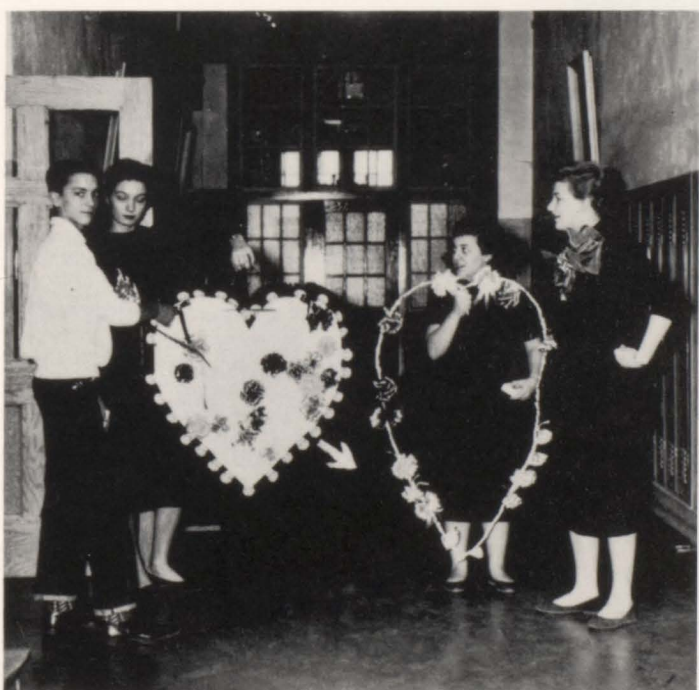

Bow Day

The aftermath of Christmas descended on the East Alton-Wood River Community High School in the form of bow day. This year the traditional bow was worn on February 13th.

The yearly event is sponsored by the Big Sisters with the purpose of raising funds for various activities and charities that they sponsor. The charity receiving the money is decided upon by the members and the remaining amount goes to various activities represented by the Big Sisters.

Each Big Sister is required to sell one dozen bows. The prices range from five cents to one dollar, with the bows being displayed on gaily decorated hearts. There were many different colors of bows--each cluster of ribbon having a different meaning which was explained by posters hanging in the halls.

Big Sisters

Any junior or senior girl who has performed notable service for the school is eligible for membership in the Big Sisters. She must possess these qualities: dependability, loyalty, and friendliness, and a willingness to serve the school in any way.

The Big Sisters organization: organized in 1936, serves primarily as a service club whose aim is supporting school policies, aiding teachers as well as students and upholding the high standards and tradition of our school. This club is competently sponsored by Miss Velora Buscher, Dean of Girls.

This year's activities include an Alumni Reunion Tea, a formal dance at Thanksgiving, Bow Day on Valentine's Day, and a pledge tea.

Student Council

The Student Council was organized for its annual term in September. The Council operated this year under a new constitution, which provided for the first executive board and established standing committees, social, finance, and service.

The first project of the council was to sponsor a parade in connection with the Homecoming. This had not been done for several years and was well received.

Delegates were sent to the annual Collinsville District Association of Student Councils convention at Metropolis, in October; and the annual State Convention at Chicago.

In addition to the other usual service provided by the student council, a special fire safety inspection was held in December. The March of Dimes campaign was held, and a Buzz Book was published. For the second year, a Student Supply Store was operated by the Student Council. A sock hop at the beginning of the year, and snake dance to kick off the homecoming festivities were held. The Spring Banquet was held in the cafeteria.

The council presented pins to those who gave distinguished service in the Awards Assembly.

The officers this year were: Ned Bacheldor, President; Dean Burk, Vice President; Karen Wilson, Secretary; Franny Errandi, Treasurer; Mike Napp, Sergeant-at-arms.

The advisors are Mr. John Spaeth, and Mrs. Ruth Watson.

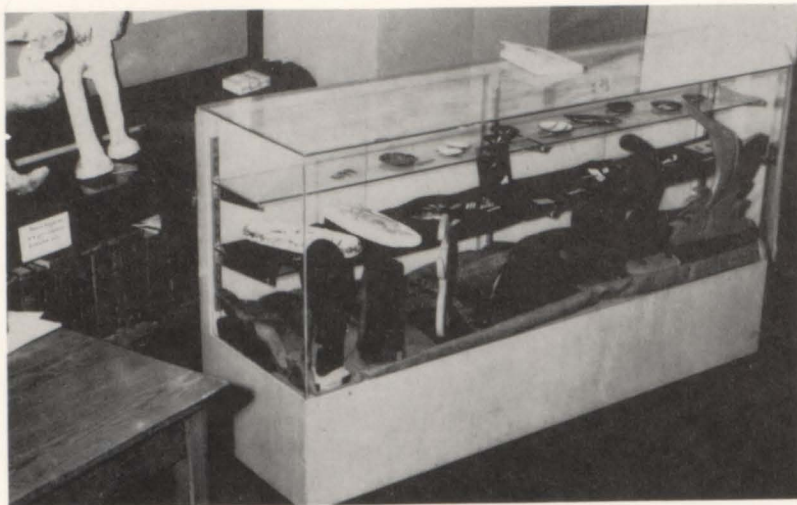

ROW 1: John Guccione, Wayne Hellemeier, Ned Friemann.
ROW 2: Eugene Biciocchi, Don Prickett, Robert Cooley.

Cameramen on Call

The Projectionist Club, has served this year with efficiency and dependability. The club is composed of twelve members who provide the school with trained personnel to operate the movie projectors. The members' schedules are arranged so that two of them are on duty each period and take care of the visual aids needs for that hour.

The club is served an annual dinner by the Home Economics Department. Mr. Robert Horton is their sponsor and advisor.

Annual Fine Arts Festival

Temper, temper.....Kate

Whoops, here we go again

Students in vocal and instrumental music, dramatics, and art combined their talents to present the annual Fine Arts Festival with a three act presentation entitled, "An Evening With Will Shakespeare."

Art classes had work on display in the library before the stage presentation and between acts all art work on exhibit was of original design and done entirely by the students.

A modern medley by the Woodcats opened the stage production. Following this, Act I began with a selection of songs from the Broadway musical, "Kiss Me Kate," by the High School Choir.

Dramatic students then took charge of the show with a scene

from Shakespeare's play, "Taming of The Shrew," depicting the meeting of Patruclhis and Kate, the battling lovers.

Following an intermission of twenty minutes, the Girls' Glee Club presented several songs from the Age of Shakespeare. "Pryamus And Thisbe," a sequence from the play "A Midsummer Night's Dream," ended Act II.

Act III pictured the balcony scene from "Romeo and Juliet." The Fine Arts Festival closed with the Choir and Girls' Glee Club singing selections from the "West Side Story," a play based on the theme of "Romeo and Juliet," dealing with juvenile delinquency in a big city.

Lights, Camera, Action!

This is a phrase that is familiar to all of us I'm sure, but it has a special meaning to the members of Stage and Stammer.

Stage and Stammer is the first step in dramatics and it is the junior dramatics club for the students who would like to become Thespians.

They hold their meetings every other Monday where they learn what goes on behind the well rehearsed scenes of the successful play. They learn about applying make-up, using props, drawing and building scenery, making costumes and lighting techniques.

During the year they present several one-act plays of their own in addition to helping the Thespians with most of theirs.

The advisor is Mr. Samples.

The officers are Gerry Campbell, Lee Dabbs, Patsy Pinkerton, Charlotte Knox.

ROW 1: Buddy Gray, Susie Pinkerton, Sandra Mullady, Dennis Reeder, Janet Hamilton, Virginia Orr. ROW 2: Joyce Hendrickson, Gerry Campbell, Janet Rambo, Pat Pitchford, Bonnie Link, Donna Gibson, Sandy Jamerson, Judy Crull, Lorna Wilbur, Donetta

On With The Show

"On with the show" is a familiar phrase known to all the National Thespians of Troup 733. The National Thespian troupe, senior dramatic club of our school, has as its goal to the promotion of dramatics in our school. It provides enjoyment to and a challenge to each member on stage and back stage ability.

National Thespian members, as well as acting in the plays, build scenery, find and handle props, make costumes, and put on make-up for the plays.

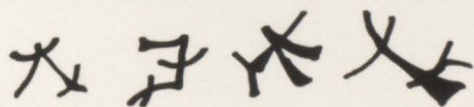

To become a National Thespian, a student must first belong to Stage and Stammer. In addition he must earn a total of ten dramatic points representing 100 hours of rehearsals or work on back stage committees. The Thespian Troup meets once a month on a Thursday evening to discuss business matters and the dramatics problem of the school.

Thespian members complete each year various letters and awards. The highest is a best Thespian award given to one person each year. This is given at the annual banquet at the end of the year.

The officers this year were: Dennis Reeder, President; Janet Hamilton, Vice President; Susie Pinkerton, Secretary; Sandy Mullady, Recording Secretary; Buddy Gray, Sergeant-at-arms; Donetta Sutton, Historian. Sponsors are: Mr. Richard Claridge, and Mr. B. Thomas Samples.

A Slice of Melon

(Chinese Characters on another page)

Thespian Troupe 733, of this school, has maintained its long list of annual activities, which keep it one of the strongest organizations in this school.

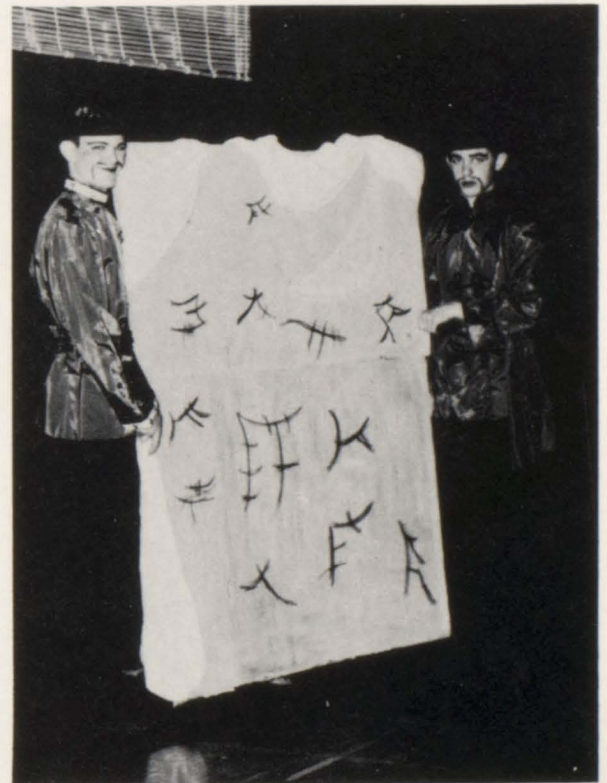

The fall activities made launched by the construction of a float for the homecoming parade. Charlie's Aunt, a hilarious comedy was given by the troupe as their fall production. This play was a marked success and much credit is due to the staff and crew.

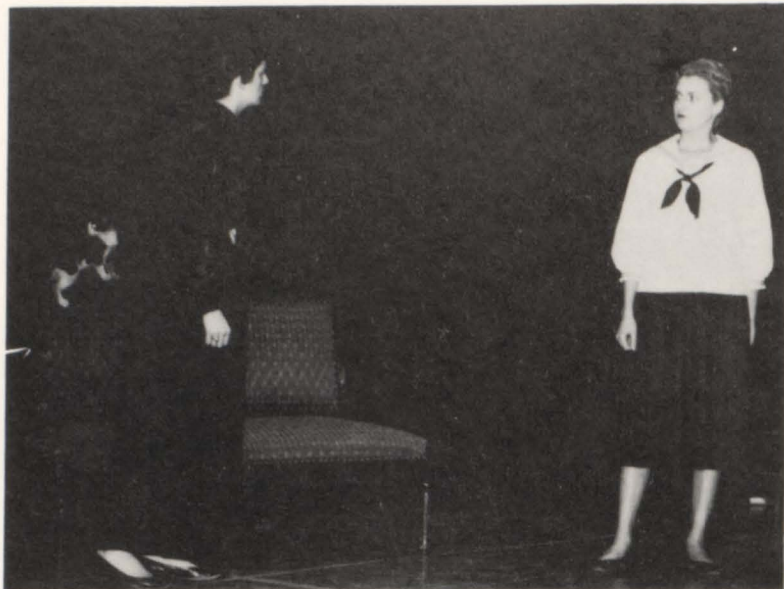

The main activity of the winter was the Thespian Play Night. The proceeds from this excellent production were donated to the March of Dimes campaign.

The spring production was the well-known Antigone. This production culminated a very successful year of Thespian Activities.

Cheers

This is the world-famous farce which has moved millions to tears of laughter. Jack Chesney, violently in love with Kitty Verdun, and Charles, equally enamoured of Miss Spettigue, invited the young ladies to their rooms for luncheon--in order to meet Charley's wealthy aunt from Brazil. But, the millionaire sends word that she will have to defer her visit for a few days. What is to be done? The dear young thing must not be compromised but neither will the youths give up the opportunity of declaring their love.

The problem is solved by forcing another Oxford undergraduate into a black satin skirt, a pair of mitts, an old-fashioned cap and wig. As Charley's Aunt then, this old frump is introduced to the sweetheart, to Jack's father, and to Stephen Spettigue. The sweethearts hug and kiss Charley's aunt; the two men included.

Then the real aunt turns up, assumes another name. In the chronic confusion which results, young Lord Balbuley, posing as the aunt, tricks Stephen Spettigue into agreeing to the marriage of his ward to Charley, the real aunt marries Jack's father, Jack gets Miss Verdun, and "Charley's Aunt" regains the fortune he lost at gambling and obtains the hand of the girl he loves.

Some of the cast were: "Charley's Aunt"-Bill Sherer; Donna Lucia (Charley's real aunt)-Janet Hamilton; Kitty Verdun-Sandy Jamerson; Jack Chesney-David Horn; Charles Wykehan-Mike Mefford; Colonel Sir Francis Chesney-Frank Schmider; Amy-Jo Ann DeGerlia; Brassett-Phil Eslinger; Ela-Shirley Kania; Mr. Spettigue-Mike Ricks.

The play was a great success and received great praise.

On December 19, our student body enjoyed a hilarious array of Christmas skits. It was during the Christmas assembly, and the auditorium stage was changed into different living room scenes, while everyone awaited the arrival of Saint Nick.

Between skits the choral department provided entertainment for the group.

The assembly was a huge success and we will look forward to a similar production next year.

Prom

Orchids In

The Moonlight

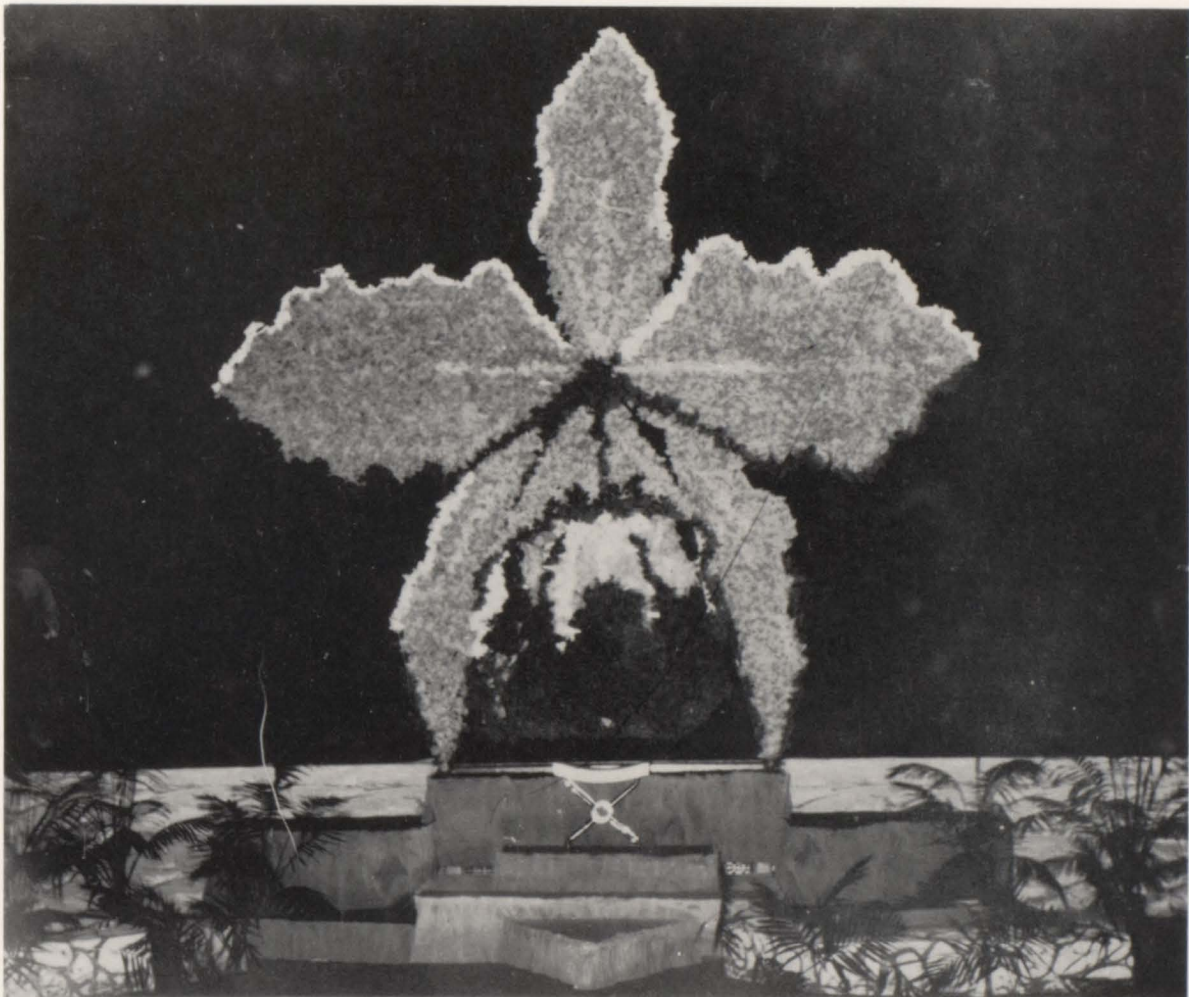

The theme, "Orchids in the Moonlight," was beautifully carried out on the enchanted evening of the 1957-58 prom.

The guests entered the ballroom depicting a South Sea Island through an arch of gayly colored flowers and found a pool surrounded by tropical palm trees with a huge orchid in the background.

A great many of the beautifully gowned girls wore orchids that had been presented to them by their escorts.

At the enchanted hour of eleven o'clock, the lovely Miss Barbara Timar was selected Sweetheart Queen.

Carolyn Pinkerton and Terry Williams enjoy the prom.

The smoldering volcano towers above the clouds.

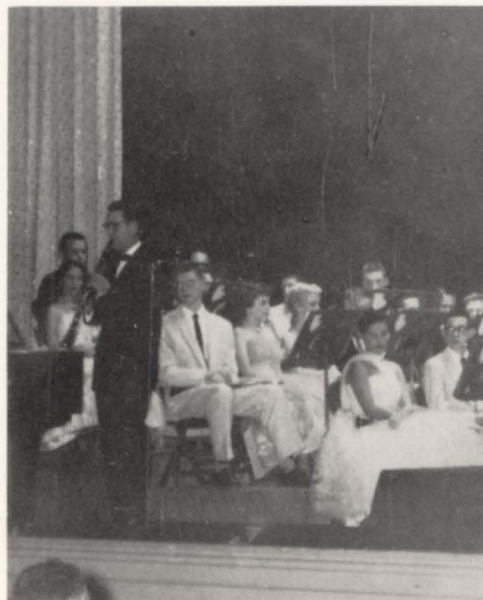

After an enjoyable evening guests pose to have their pictures taken.

Representing the first segment of the Fine Arts Festival, the concert band presented their annual spring concert. The program for the evening was greatly varied including such numbers as "The Andante Movement" from Tschaikowsky's Pathetique Symphonie; the colorful Fandango by Perkins, and a novelty, Arranger's Holiday.

As special guest of the High School Band, the sixty-eight piece East Alton Grade School Band opened the program for the evening with an interesting variety of numbers.

One of the highlights of the evening was "The First Movement of the Piano Concerto in A Minor" by Edward Grieg played by Miss Sharon Neemann. Another highlight was achieved by Miss Rita Rice playing an oboe solo from Scherzade Ballet by Remsky-Karsakov.

Wood Cats

Playing their theme song "Baby Sitter's Blues" these "Cats" really rock the halls at their rehearsals.

The Wood Cats use much energy performing at all the home basketball games. Their first formal appearance was at the Coronation, the Coronation dance, and other school dances. This group lends its talent to gatherings around the community.

The Wood Cats were organized in 1953 and they have been growing ever since. This year the instrumentation is: four alto saxes, two tenors, a baritone sax, five trumpets, two trombones, "doghouse" fiddle, piano, and drums.

The Faculty Service Club Play

Those wonderful faculty members! They did it again! For the third year the Faculty Service Club of the East Alton Wood River Community High School staged a full three act play for the purpose of raising money in order that the Harry H. Smith Scholarship could be awarded to a deserving student from our school. This club is the only organization of its kind which produces such a play for that purpose.

The performance of this year was "A Visit To A Small Planet" by Gore Vidal. The comedy was presented on two nights, February 10 and 12, at 8:00 P. M. in the auditorium for the first time in this area. The play, which ran for eleven months on Broadway, was an uninhibited satire on the United States way of life. Kreton, a visitor from outer space, landed his space saucer in the yard of Roger Spelding, a Virginian Television News Commentator, expecting to see the Civil War. Kreton came from the fourth demension and therefore was able to go back into time, however, he made a mistake and landed a century too late. So that he wouldn't be disappointed, he attempted to manage the Earth people, his hobby, so that another World War would be launched. He came from a civilization where there were no problems. Everything had been perfected. His adjustment from that situation was amusing, as he attempted to understand the institutions and customs of the United States.

Our Faculty Service Club members made an excellent cast with the help of Tristram Shandy, Gentleman. Mr. Wiley was the director and Mr. Claridge had the major role supported by Messers Samples, Gould, Brubaker, Sheahan, Grohovsky, Cozad and Scharf. Miss Fleming had the leading female role supported by Miss Vera Jones, and Miss Mildred Smith. Tristram Shandy, Gentleman, Mr. Wiley's siamese cat, had the role of "Rosemary."

The Club's goal was to raise enough money to award two scholarships this year. This highlight of the school year leaves us anticipating with expectation for another evening of good entertainment next year.

An unidentified flying object, exactly what it looks like.

Don't mug the camera, Roy!

Tickety Bool

Hit him harder! shouts Mr. Claridge. That's the way Miss Fleming, you break them up.

Oh Rosemary! I'm sure mice are delicious--Agh!

With a gun literally held to my temple.

You naughty boy.

The last meeting in the spring is a banquet, held for the Future nurses and their families. At this banquet awards for the best projects and service are given. Also, officers for the next year are installed.

A high light of this year for the club was their float in the homecoming parade which won the prize as the most original.

Pep Club

"We're waitin'," We're waitin'," We're waitin' for the Oilers." This and many other cheers are yelled by the Wood River High School Pep Club at our ball games. The Pep Club is always behind our team when it is fighting for a triumphant victory.

Besides just being at all the games, the Pep Club also makes posters to encourage people to attend our sports events. The posters are usually put in the corridors at school about a week before a ball game. This year an assembly was one of the Pep Club's most outstanding addition to our school spirit. The sponsor is Miss Shirly Fleming.

Energy, in one of its numerous aspects, becomes explosive. As it changes from the normal day to day pattern, it takes on one of its more popular roles, that of sports. Energy is found in the football back trying hard for another first down and in the basketball forward trying to increase the score; it is also found in the sports enthusiasts, the loyal people who came to root and yell for their team.

Gridders Victims of Bad Breaks

Wood River played a tough brand of football in '58. Coach Yocum's Gridders didn't win all of their games, but they did provide Oiler fans with many thrilling moments.

The Oilers won 3 out of their 9 games, beating Roxana, Bethalto, and Belleville on a forfeit. The most exciting game fans witnessed was against the Roxana Shells. Roxana made the first touchdown of the game in the first quarter but failed to make the extra point. In the second quarter, right end Tom Yopp recovered a Roxana fumble on the 42 yard line and this started the Oilers rolling. Quarterback Dennis Bunting pitched to Richard Baker, who threw a long pass to left end Gordon Hill, who made a sensational catch on the Roxana 5 yard line and went to score and tied the game at 6 to 6. Eugene Biciocchi scored the extra point to give the Oilers a 7 to 6 victory.

Special mention should be made of Ray Todd and Robert Stumpe who were chosen as "The most outstanding linemen of the week" by the Elks Quarterback Club. Bill Brown was chosen by his teammates as the most outstanding lineman of the year. Also, Eugene Biciocchi was chosen as KXOK's "Prep Player of the Week" and placed second in the "Prep Player of the Year Contest."

J.V. Basketball

The Junior-Varsity Oilers, led by: Ron Wilkinson, center; Gordon Hill and Wesley Tucker, forwards; and Larry Feezel and Richard Baker, guards, had the best record in many years with 13 wins and 3 losses, for a percentage of .813. Leading scorers were Gordon Hill and Wesley Tucker.

The J-V scored 1074 points to their opponents 873 outscoring them by 201 points. Hard fought losses went to Alton, Collinsville, and Granite City.

From the looks of this year, the Oilers should be very strong next year because of the fine support the Sophomores have and will continue to give to the team.

Track

During the '58 track and field season, the Oilers were led by these outstanding members: Ed Berkemeir, discus; Bill Brown, pole vault; and the shuttle hurdle relay team which placed second in the Conference Relays.

Wood River did very well in the Southwestern Conference Decathlon, while entering only two boys. Bill Brown who placed second and Irv Inskip who placed eighth. They managed to compile 8208 points to take third place in team scores.

In the Southwestern Conference track meet Brown broke the Conference record of 12'-4" by vaulting 12'-5 1/2" and thereby breaking our school record, held by Bill Perrin since 1950. Brown also represented the Oilers at State for the second straight year and placed seventh in the State finals.

Our track team will lose only one senior and will have eleven returning lettermen which will give us more power in the senior division next year.

Hanner, Brown, Inskip, and Webb fight it out for first.

Bunting practices his high jumping form.

FIRST ROW: Vic Smith, Gerald Magurany, Robert Edmiaston, Larry Barry, Roy Webb, David Apple, Bill Everette, Ron Walkington, Stanley Bailey. SECOND ROW: Dennis Reeder, Ed Berkemier, Ed Lyons, Larry Strahan, Tom Smith, Dale Reynolds, Clark

Miller, Sam Guccione, Manager. THIRD ROW: Bob Guess, Manager, Larry Peeler, Ron Wilkinson, Dennis Bunting, Jerry Messick, Irv Inskip, George Van Horn, Ken Fish, and Ned Bachelдор.

Inskip puts Belleville opponents in the background.

Brown clears the bar with ease.

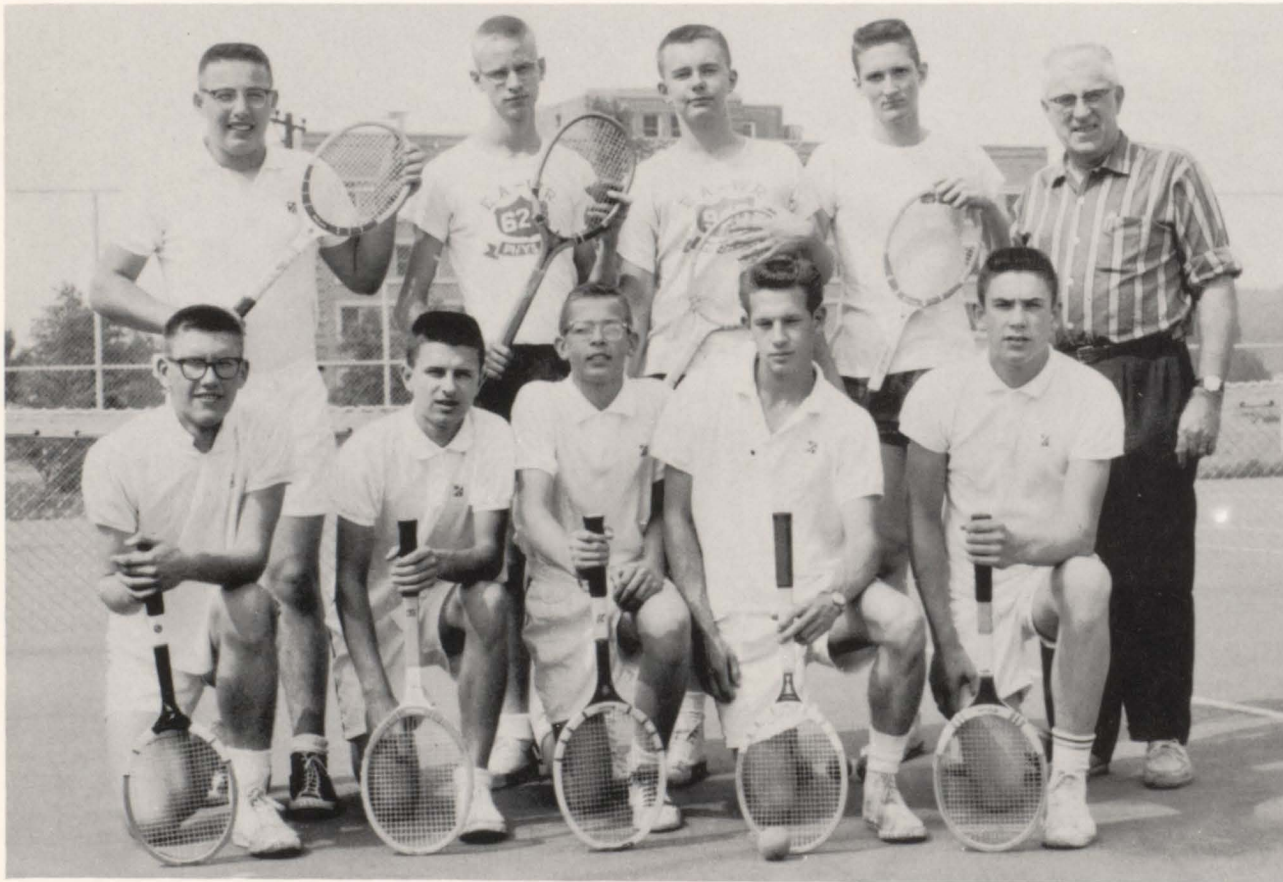

Johnson mystified as Kienstra backhands a serve.

'58 Brings Good Tennis Team

After tedious workouts, Coach Gould's 1958 Oiler netmen led by Captain-Manager, Gary Ballard, began a well-rounded season of thirteen matches. Our Oilers played an excitingly close match against Collinsville winning both sets of doubles but losing the three sets of singles.

The first string consisted of Tom Burk, first singles; Gary Lane and Bill Roose, first doubles; Randy Kienstra and Guy Johnson, second doubles; and David Williams served as an alternate. Having begun fall practice, Coach Gould is looking forward to a promising season.

FIRST ROW: Tom Burk, Gary Ballard, Randy Kienstra, Bill Roose, and Gary Lane. SECOND ROW: Guy Johnson, Stacey Hegeman, Jerry Arnold, Coach Gould.

Harris crouches low and waits for the pitch.

Affsprung pegs to Bryant to try for the double play.

Rider letting go of a sinking curve ball.

Baseball

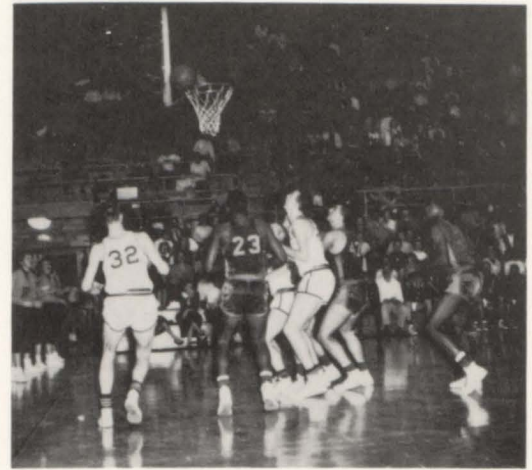

Wood River's sizzling baseball squad gave a very fine performance during the 1958 season promising conference leadership in further years. The Oiler squad was composed of only four senior lettermen, but came out of the season with a fine record, winning seven and losing five.

The Oilers won two games in the Madison County Tournament before they were dunked by Madison 9-5. In the District Tourney, Wood River had a fine start giving up two hits and one run for a 3-1 victory over the strong Collinsville nine. The second game was taken by Granite City.

Ed Beckwith, Gordie Hill, and Frank Schmieder combined to beat Western Military in a one-hitter for a 9-3 victory. Schmieder also pitched a one-hitter on another occasion against the Cadets. Beckwith turned in the only no-hit game of the season defeating the Civic Memorial Eagles 3-0.

UNDERGRADUATES

From day to day the amount of energy burned by the freshmen, sophomores, and juniors is very great. As they take part in the day's routine, hurrying to class, rushing to lunch, and studying, it seems that they would run out of energy. But like the many classes before them, they do not run out and they carry on the fine tradition of our school.
